## *Behind The Scenes*

# TO THE CLASS OF 2016.

What a wild journey it's been. We were the children of change, hopping from school to school until we finally landed in Barnstable High to spend these last five years. In all our time here, change has been all around us - but all we focus on is the end result. We often forget to go behind the scenes and remember what high school is really about, and what really happened when we weren't on the stage, on the field, or in front of a camera.

We started our high school career off with a bang, with the football team making it to Gillette Stadium our freshmen year, along with the gymnastics and volleyball teams winning the state championships during our freshmen and sophomore years, and the gymnastics team winning it once more our junior year. Gymnastics won Regionals sophomore and junior years, and volleyball won the 2014 South Sectional Finals, bringing home yet another Raider victory. In addition to our outstanding athletics department, we have amazing music and theater programs. Our band and color guard won the MICCA bronze medals our sophomore and junior years. We were the first eighth grade class to have Mr. O'Toole as advisor to the drama club, and now we are the first senior class to have Mr. Billard to lead BHSDC in his wake. Despite this change, we have done many notable productions in our time here, such as *The Great Gatsby* and *The Sound of Music*. We have succeeded and we will continue to succeed.

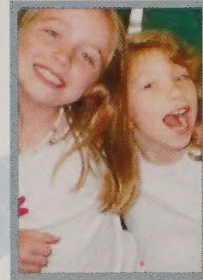

There is so much change going on in the world right now that we are so lucky to be a part of. Gay marriage has been legalized in every state, and renewable energy is on the rise. America is making leaps and bounds forward. For this upcoming election, Donald Trump, Hillary Clinton, and Bernie Sanders are all running against each other. Kanye West has just announced his presidential campaign for 2020, and the Whip/Nae-Nae was started. Underwater exploration and multi-dimensional exploration is happening all over the world. This September we experienced the blood moon lunar eclipse, an event that won't occur again until 2033. Our generation is trying to find itself amidst all this change, looking to the 1970's and 1990's for inspiration, such as flannels, Birkenstocks, Doc Martens, Converse, individual dreadlocks, henna tattoos, Nirvana, and Fleetwood Mac. We have created our own image as well, complete with Starbucks Pumpkin Spice flavored everything, minimalist tattoos and artwork, and manbuns. We are the generation of Netflix, Snapchat stories, the iPhone, and Disney's *Frozen*. We are a generation of a future, and a reflection of the past.

The class of 2016 is unconventional and unpredictable, but with our wild ideas and changing ideals, we're not afraid to take risks and make mistakes. Barnstable High School has taught us that it's not the destination that counts, it's the journey.

# Astro Park

Eleven years ago, work on The Cobb Astro Park began when Mike Gyra and Peter Auger had looked out into the field to see an awful barren wasteland. Mr. Gyra loves to take on new projects and pondered, why not make this field into something? The idea was that they would slowly create The Astro Park piece by piece. Mike and Peter came to an agreement that they would then put in an observatory last. After receiving great help from the community, staff, and especially students, Mike commented on the help from the community saying, it was a "true community barn raising." Although the hardest part was asking for money, the easiest part was the labor because of Mr. Gyra's strong work ethic. The Astro Park was meant to be special and he calls it a destination, not a hallway. His favorite piece would be the Pathway of Discovery, because so many people have sacrificed a great deal in their lives. He especially loves the last piece which is the YOU statue which represents the change that we can have on the world. The YOU Statue was dedicated to Edward Clark, Principal Clark's father. A friend of Edward Clark, Arthur Ash, wrote the quote, "Start where you are. Use what you have. Do what you can" on the statue. He would also like us to draw attention to Enoch Cobb and the Cobb Trust Fund which has helped this project and many others immensely. Mr. Gyra is thankful for the student body, faculty, and the town of Barnstable for coming together for this project.

# Barnstable's Got Talent

Ms. Oberg & The Barnacle Yearbook Staff at the Talent Show

Our History: For the past three years, students with a wide array of talents have made an appearance on the PAC stage. The Barnacle Yearbook has been fortunate enough to present these talents every fall as a fundraiser. Talents range from singers, dancers, contortionists, musicians, and so much more! This year our winners included Ceili Magnus, Brooke Poirier and Sydney Maddox. We aren't joking when we say, "Barnstable's Got Talent!" We couldn't do this event without the support of our school community. Thank you

# TEACHER APPRECIATION GAME

This year happens to be the fourth year that our varsity football players chose a teacher or staff member to wear their jerseys to a home game. From the time this started to become a tradition, it truly shows the appreciation and impact certain teachers have upon these players' lives. Today our senior players stand amongst the teachers they chose, to thank for all their hard work and dedication. GO RED RAIDERS!

# A Year In Review

## Entertainment

This year many people are feeling confident with who they really are. Bruce Jenner shocked the world when he announced his true self as a woman- Caitlyn Jenner. Stars such as Justin Bieber are back in the spotlight, and bands like One Direction are stepping away from it. Also in music, Taylor Swift rocked the world on her 1989 world tour. In 2020, we may see Kanye West as president, as he announced his campaign this year at the VMAs. David Letterman aired his final show, the 24th James Bond film was released, and spoiler alert: Dr. Derek Shepherd' was killed off of the hit ABC television show Grey's Anatomy.

## Technology

Many technological advances have been made this year. Apple, once again tops sales charts with their newest products, the Apple watch, the Iphone 6s, Iphone 6s plus, and the newest version of the Macbook. They also created the new system of Apple Pay. Aside from Apple, Microsoft released the new Windows 10. The hottest gift of the year and the latest in teen transportation is the hyperwalk board. Also, make sure you don't leave the house without your selfie stick for all your photo opps; arms are overrated.

## Politics

The U.S presidential elections of 2016 are quickly approaching. Debates have begun in 2015, with the top candidates being Hillary Clinton, and Donald Trump. After many years of Cuba having no relations with the U.S, an embassy has been opened in Havana. To conclude 2015 in politics, gay marriage has been approved in all 50 U.S states.

# 2015-2016

## Sports

This year in sports the Patriots made the headlines when they won Superbowl XLIX, and again for their Deflategate Scandal. In collegiate news, Duke wins the NCAA championships, while in the NBA, Kobe Bryant has announced his retirement. Also retiring at the end of the 2016 season is the Boston Red Sox star, David Ortiz, better known as "Big Papi." The Red Sox has signed David Price of the Blue Jays to pitch during the 2016 season. The Chicago Blackhawks won the 2015 Stanley Cup, and Milan Lucic was traded from the Boston Bruins to the L.A Kings.

## Headline News

The world was shaken this year when ISIS attacked much of the Northeastern hemisphere, with their largest attack in Paris, France. Multiple mass shootings have also occurred this year in some US states including, California, Texas, and Oregon. Riots were a large problem in Baltimore MD this year, so large that a more Orioles game was closed to the public. Natural disasters affected Nepal with a massive earthquake, and in the US, emergency declarations were made regarding flooding in South Carolina, and wildfires in Washington state.

## Fashion

Older styles have made a come back this year! Converse, flannels, jumpers and rompers, crop tops, Doc Martens, denim, and high waisted pants. We accessorize with infinity scarves, statement necklaces, along with coordinating Eden rings and bracelets. Guys have started growing out their hair, and rockin' the man bun. Typically the guys wear jeans, or khakis, and a sweatshirt, or quarterzip. Furthermore, Sperrys and sneakers have been the shoe of choice. Girls find comfort in cozy sweaters with their ankle booties. Stay classy 2016 graduates ;)

# Drama Club

2015-20

The drama club brought us four unforgettable productions this year:

1. **The Haunting of Dead Neck.** The annual haunted house took a new twist with an open room design and a ghost story written by Chris Viens, Maeve Moriarty, Raini Callahan, Cheyenne Lamperti, Maggie Orlando, Selby Tindall, and Sarah Carlon.

2. **Almost, Maine.** This winter show was a series of nine love stories that took place in the town Almost, Maine at 9pm on a cold Friday night in December.

3. **Godspell.** The annual musical was a rock and roll telling of the parables and the story of how Judas betrayed Jesus.

4. **Twelfth Night.** The Shakespeare production involved a crossdresser, a heartbroken Duke, a long-lost twin, and a lot of confusion.

# Anthony M. Beverly

1/13/98 ~ 2/27/13

Something as simple as flu complications, could land the youth in deep devastation, but the loss of a spark in our community, remembering in red and black, leave us yearning for those memories back, the love for him never dies around Barnstable High, funny, happy, artistic, he was everyone's guy, as we placed our last rose on his casket hearts filled heavily, we will never forget the joyous life of Anthony Beverly.

~ Sydney Maddox

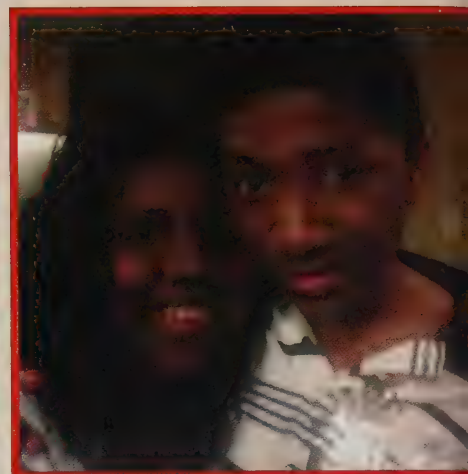

Anthony, there is not a day that goes by that you are not thought of. You will forever be in all of our hearts. We love and miss you my son. ~ Mom

I am so lucky to be one of the people to experience the love and joy he brought to this world. I've never come across anyone with the light in their eyes like Anthony had. Everything he did, he put his all into it making sure in the end that other people were happy. Anthony was one of the most influential men I have ever had the honor to have in my life. His memory will live on for years to come.

~ Ceara Angelone

There's not a day that goes by that you're not on my mind Anthony. I just want you to know I miss you and love you more than ever. Shine down brother. Love you.

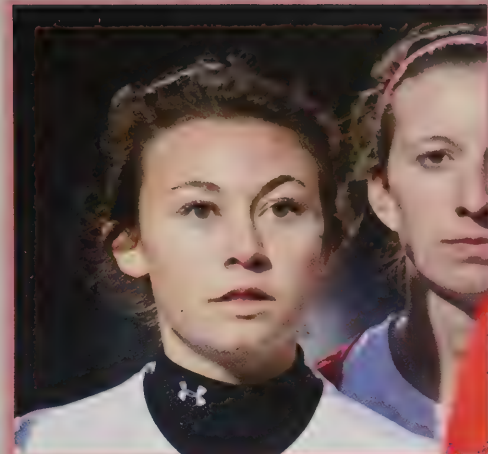

~ Phantasia Jones

I have missed you. We have all missed you. You left a piece of yourself in everyone you touched. Some in small ways, others in monumental ways. You are special that much is certain, and I wish you were here to grow up with us and graduate with us. Thank you for all the wonderful memories.

~ Julie Sprinkle

# MRS. DUMAS

## Congratulations on your retirement Mrs. Dumas!

We appreciate all you have done, and we will miss you very much!

Most people avoid their house office because they think they go there only when they're in trouble. When I do go, I go to see Mrs. Dumas and she always has something to talk about. Other times she just wants to say hi, that's one thing I like about her; she's always there to listen and talk to. Her contagious smile brightens up the room and makes everything seem OK. I don't look at her as a staff member; she's a friend, and everyone that she talks to will say the same thing. Mrs. Dumas has even offered to go out of her way and bring me home after I missed my bus which proves she really is a friend. She asks me if I need any help with my work while I'm in House E. I always decline her help, but I know she's there just in case. Beyond that she knows exactly what to do to make a bad day seem positive again. Nobody at BHS knows me like Mrs. Dumas, that's why everyday when I get to school I try my best to be in a good mood. If I'm not she'll turn that around real quick. We're all very fortunate to know her and all will miss her. I can't thank her enough for all the times she's helped me out and I hope she enjoys the time she has off.

"My soul is full of longing  
for the secret of the sea,  
and the heart of the great  
ocean sends a thrilling pulse through  
me."

-Henry Wadsworth Longfellow

# MRS. CAZEALT

## Congratulations Mrs. Cazealt!

Thank you for your many amazing years here at Barnstable High!

Within the past four years we have become a very tight knit TGA thanks to Mrs. Cazealt. From bagel Tuesdays, to her encouraging words, and her daily reminder that we are "the best homeroom in the entire school." Although we are sad to finish the year without you, we thank you for making our high school experience memorable.
